Bosch 30" Five Burner Gas Cooktop....

Cooking multiple dishes is easier than ever. The Bosch 30" cooktop features five burners, ingeniously placed, so you can fit more pots and pans at the same time.

Five Burner 30" Cooktop--Same Versatility of 36" Cooktop in Compact 30" Format.
For Kitchens Where Space is Limited

Selling Tip: Every Bosch gas cooktop comes with an LP conversion kit included!

July Scavenger Hunt....

Question:

My flush handle design has become one of our most popular dishwasher design choices. I have the ability to easily integrate into any kitchen. Now customers have more color options. What are the new color options along with their model numbers?

Directions:

To submit your answer click on the connect now box located on the askboschbestbuy.com home page. When submitting your answer use **#julyscavengerhunt** followed by your answer. All correct responses submitted by July, 31 2014 will receive a Bosch prize.

Hint:

To find the answer use the askboschbestbuy.com website and take advantage of its resources.
