BOSCH
Invented for life

This Month: Bosch Side-by-Side Refrigerator

Model: B20CS30SNS

Premium Design

This counter-depth Side-by-Side refrigerator installs nearly flush in a freestanding cutout, offering uninterrupted stainless steel luxury. Also features anti-fingerprint stainless steel, which resists smudges and cleans easily.

External Ice & Water Dispenser

Dispenses fresh-tasting filtered water, crushed ice and cubed ice.

MultiAirFlow™ System

The fan-assisted MultiAirFlow™ System causes gentle, even currents of cold air to emerge at all levels of the chilling and freezing area. Temperature fluctuations are minimized and cooling times reduced – which helps your foods retain their flavor for longer.

This Month: Bosch Side-by-Side Refrigerator

Model: B20CS30SNS

Feature	Attribute	Benefit
ENERGY STAR®	ENERGY STAR® qualified for energy efficiency.	For energy efficiency and conservation.
LED Lighting	LED lighting and transparent storage provide ideal visibility throughout.	Refrigerator contents are highly visible from top to bottom, including bins and shelves.
True Flat Doors	Contemporary true flat door design with hidden hinges.	Provides a stylish, built-in look.
Ultraclarity® Water Filter	The Bosch UltraClarity® water filter (BORPLFTR10) reduces harmful sediments and chlorine.	Users can enjoy cleaner, better-tasting water and ice.
MultiBox Drawers	Unit features two MultiBox drawers with rippled bottoms for maximum airflow.	Provides increased airflow and circulation to your perishable items, like fruits and vegetables.
SuperCool®	Cools the refrigerator compartment to the lowest temperature possible at the touch of a button.	While loading the refrigerator, allows groceries to cool more quickly, minimizing unnecessary power consumption. Also allows drinks to be cooled faster.
SuperFreeze®	Cools the freezer compartment to the lowest temperature possible at the touch of a button.	Protects frozen food from defrosting when adding new food to the freezer, and the new food freezes faster.
