BottleFill Technology

Fill a glass or bottle once, press **BottleFill** to save the quantity, & enjoy a **hands-free** fill each time thereafter!

Crescent Shaped Ice

Easily accessible from the external dispenser or...

...fill the full-width freezer drawer for times when you need extra ice available.

*Based on single ice maker production rates during a 24-hour period, measured per IEC standard and manufacturer user's manuals for brands identified in the US and Canada TraQline as freestanding French door bottom mount refrigerators.

Garage shelf offers storage flexibility

Allows you to tuck away the upper right shelf to easily store taller items below.

Stainless Steel Back Wall

The stainless steel back not only looks beautiful, but the high quality material keeps the back of the refrigerator cold.

VitaFreshPlus™

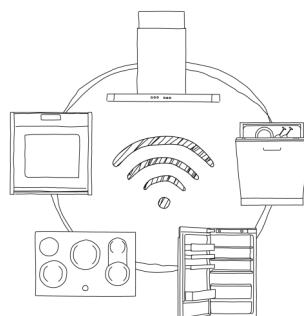

Two drawers provide ample storage and offer independent humidity controls creating the optimal environment for fruits and vegetables.

- **AirFresh® Filter**
Absorbs odors and is designed to last the life of the unit
- **Hidden Controls**
Tucked away inside to avoid accidental changes
- **Wide Gallon Door Bins**
Featured on both sets of doors for practical organization
- **Black Stainless Steel**
Finish guards against scratches & fingerprints and cleans up with just a damp cloth

- **MultiAirFlow™**
Evenly circulates air from corner to corner to keep food fresh regardless of placement

Connected Refrigeration

Receive open door notifications or remotely connect with a servicer with remote diagnostics.
