

New 18" width ADA-compliant Dishwashers

BOSCH

Invented for life

The perfect solution for small spaces is now connected.

Bosch 18" width ADA-compliant dishwashers are uniquely designed for customers with lower height requirements. Although compact in size, these dishwashers deliver full size features such as Home Connect and a standard 3rd rack, all in a clean, sleek design.

Get more from your Bosch dishwasher with Home Connect™

- Hands-free voice operation with Amazon Alexa or Hey Google lets you speak to your dishwasher to set programs and get status updates.
- Access downloadable cycles like the Favorite cycle program, and easily know when your dishes are done.
- Enjoy the convenience of having dishwasher tabs automatically reordered and delivered to your door through smart reordering via the Amazon Alexa app.
- Always have peace of mind with Remote Diagnostics and leak notification.

PrecisionWash®

Intelligent sensors continually scan and check the progress of dishes throughout the cycle, and powerful, precision spray arms go to work targeting every item of every load.

AquaStop® Plus

A leak is the last thing you want to happen to your kitchen floors. AquaStop Plus features additional sensors to ensure that potential leaks are quickly detected and contained.

Quiet Dishwashers

Remarkably Quiet Operation. At 44 - 46 dBA, these dishwashers feature 18 unique sound-reducing technologies to bring peaceful quiet to your kitchen.

Quality in a sleek, slimline design.

Key Features

PrecisionWash®

Advanced sensors scan the load to target every inch of the dishwasher for the ultimate clean, every time.

PureDry®

PureDry is an energy efficient, closed drying system that does not pull in outside air and gently whisks moisture away from dishes as they cool. With no heating element, you can safely place plastics anywhere, even the bottom rack.

Standard 3rd Rack

Perfect for loading silverware, large utensils, and measuring cups.

Rackmatic®

The RackMatic adjustable middle rack easily adjusts to 9 different positions to allow taller items like stemware to fit, while leaving room for pots and pans below.

Home Connect™

- + Remote Diagnostics & leak notification
- + Cycle countdown triggers smart reordering for detergent tabs via the Amazon Alexa app.
- + Enhanced remote start functionality
- + Hands-free voice operation with Amazon Alexa or Hey Google
- + Download the Favorite cycle to personalize the wash cycle to your needs
