500 Series oven—HBL5344UC

Black Stainless Steel

Bosch's BSS guards against fingerprints and scratches.

- ◆ Bosch's BSS is our own proprietary color & finish
- ◆ Fully developed and tested by BSH
- ◆ A true stainless steel material and not a foil overlay

Cleaning Tips:

- ⇒ Wipe clean with a soft, dry towel
- ⇒ If necessary, use warm water and a mild cleansing soap
- ⇒ Avoid traditional stainless steel cleaner and abrasive/acidic cleaning agents
