\*Based on single ice maker production rates during a 24-hour period, measured per IEC standard and manufacturer user's manuals for brands identified in the US and Canada TraQline as freestanding French door bottom mount refrigerators.

## Built-in Look & Feel

As a true counter depth it sits flush with the countertop for a clean look and easily fits in many existing freestanding cutouts with it's 70" overall height.

## Stainless Steel Back Wall

The stainless steel back not only looks beautiful, but the high quality material keeps the back of the refrigerator cold.

## VitaFreshPlus™

Two drawers provide ample storage and offer independent humidity controls creating the optimal environment for fruits and vegetables.

- **AirFresh® Filter**

Absorbs odors and is designed to last the life of the unit

- **Hidden Controls**

Tucked away inside to avoid accidental changes

- **Wide Gallon Door Bins**

Featured on both sets of doors for practical organization

- **Black Stainless Steel**

Finish guards against scratches & fingerprints and cleans up with just a damp cloth

- **MultiAirFlow™**

Evenly circulates air from corner to corner to keep food fresh regardless of placement

## Connected Refrigeration

Receive open door notifications or remotely connect with a servicer with remote diagnostics.
