

This Month: Highly Rated Induction Cooktops

Bosch cooktops are designed to deliver perfect results with minimal effort. Every Bosch cooktop combines simplicity with intuitive usability. So recipes are followed more efficiently, meals are made quickly, and cleanup happens easily. Because at the end of a long day, Bosch believes cooking should bring joy, not frustration.

SpeedBoost®

- Increases element power to 150% for up to 10 minutes
- Boost 2 pans at once
- Bring liquids to a boil quickly.**

Cook Timer

- Automatic shut off timer for each element
- Maximum set time is 99 minutes
- Don't let distractions ruin the dish – no need to worry about missed timers.**

AutoChef®

- Monitors and regulates pan temperature when engaged
- Five temperature settings to select from:
very low | low | med-low | med-high | high
- **Maintains the perfect amount of heat while cooking to deliver consistent results time and time again!**

Hood Control

- Control a HomeConnect™ hood from the cooktop's control panel
- Set the hood to automatically turn on when cooktop elements are activated
- No more reaching up high or cleaning fingerprints off a stainless steel hood.**

FlexInduction® and PowerMove™

- FlexInduction® consists of 4 oval inductors and can be used as one large zone, or two independently controlled zones
- PowerMove™ divides FlexInduction® into 3 preset power level zones—simply move the cookware to change the power level
