PureDry® is our core drying system that does not pull in outside air. And with no exposed heating element, you can safely place plastics anywhere, even on the bottom rack, without fear they will warp or melt.

Wi-Fi enabled Home Connect®

App features like Smart Cycle provide intelligent cycle guidance. Hands-free voice control with Amazon Alexa or Google Home and so much more, when you use Wi-Fi-enabled Home Connect®.

Ultra sleek and streamlined exterior.

All-new modern design with sleek door handle, streamlined touch control panel, and stainless steel.
