DID YOU KNOW?

You can use the Air Fry mode for perfect results.

Rapid Pre-Heat
Rapid pre-heat reaches 350F quickly to speed up dinner prep.

All-in-One Oven
The All-in-One Oven combines all of your favorite appliances into one. It includes modes such as Quick Meal for convenience foods, or Air Fry to deliver crispy results with little to no preheat required.

Powerful 3000 Watt 12-Inch and 9-Inch Elements
Powerful 3000W 12" and 9" elements for high heat and maximum flexibility.

Easy Installation
The slide-in design replaces existing range cutouts and slides back against the wall for a sleek look.

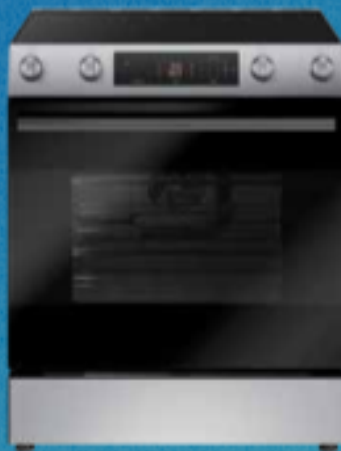

Sleek Backlit User Interface
Sleek backlit user interface wakes up when prompted.
