DID YOU KNOW?

You can use the Air Fry mode for perfect results.

Rapid Pre-Heat
Rapid pre-heat reaches 350F quickly to speed up dinner prep.

All-in-One Oven
The All-in-One Oven combines all of your favorite appliances into one. It includes modes such as Quick Meal for convenience foods, or Air Fry to deliver crispy results with little to no preheat required.

Powerful Center Oval Burner
Powerful center oval burner is ideal for large pans and griddles.

Easy Installation
The slide-in design replaces existing range cutouts and slides back against the wall for a sleek look.

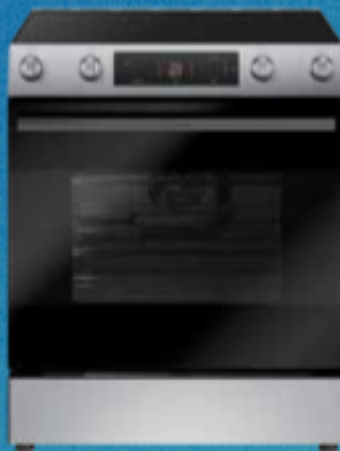

Sleek Backlit User Interface
Sleek backlit user interface wakes up when prompted.
