

# 100 Series 2-Door Refrigeration

## Feature Overview

Introducing Bosch's 100 Series 2-Door Bottom Mount Freezer Refrigerator!

Standing at 69 1/8" tall and 31 1/4" wide, this unit is great for smaller spaces and offers another option alongside our 100 series French door.

### Timeless Design

- Anti-Fingerprint Resistant Stainless Steel
- Available **ONLY** in Counter-Depth
- Available **ONLY** with Bar Handles
- Field Reversible Door (kit included)
- White Interior with LED Lighting

### Simple Solutions

This unit includes **One** Gallon Size Door Bin with a **Two**-Tier Freezer that has an internal Ice Maker. For ultimate flexibility, it includes **Three** Full Length Adjustable Shelves and **Four** Small Door Bins, all while looking like a **Five** Star Refrigerator.

# 100 Series FDBM Refrigeration

## Feature Overview

### Timeless Design

Standing at 70" high and 36" wide, this unit comes in either counter or full depth with recessed handles.

Externally, this freestanding unit looks just like a built-in with hidden hinges and no toe kick. With gallon size storage bins, two crisper drawers, a full width deli drawer and a two tier freezer - storage is abundant throughout.

Not to mention this unit is coated in Bosch's anti-fingerprint stainless steel!

### External Water and Ice Dispenser

With our redesigned external dispenser you can...

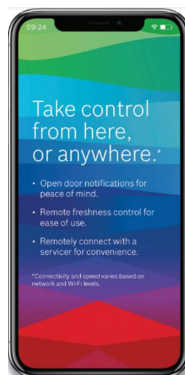

- View your unit's refrigeration and freezer temperatures **externally**
- **Fit up to a 40oz container!** Extra tall dispenser for XXL tall drinks with a deeper dispenser shelf
- Continue to use **One Touch BottleFill** to fill your container once and let the fridge remember the amount for next time

### Home Connect

Take your refrigeration to the next level and download Home Connect®

- Locate your use and care manual
- Videos on how to change and order a new water filter
- Set Eco, Sabbath and Vacation modes

### QuickIce Pro System™

Never run out of ice again!

- **With the QuickIce Pro System™** your fridge can produce **8 lbs. of ice per day!**\*
- Whole or crushed crescent shaped ice available

\*QuickIce Pro System produces 8 lbs. on 100 series and 12 lbs. on 500 series.
